

Evaluation Pattern : Primary Section

Evaluation is an integral part of teaching learning process. The objective of evaluation at primary level is continuous and comprehensive assessment of the growth and the development of the child in the various areas of learning set in the curriculum. It is child-friendly and is in adherence to the DAVCMC guidelines.

The assessment of students is conducted throughout the year by means of observation, interaction and specially designed worksheets.

System of Evaluation

Class 1 and 2

The evaluation process of class 1 & 2 is according to the early education development program (EEDP) introduced by the DAV Education Board. The program designed intends to help children grow, learn and develop physically, socially, emotionally, morally and intellectually, thus leading to holistic development. Child will be evaluated on the basis of his/her day to day performance. Formal tests would not be conducted. To check the clarity of concepts, small assessments will be held as class test/surprise test at the end of particular chapter done or concept given.

Class 3 to 5

To enhance and improve the overall performance of your ward, the system of evaluation for classes 3-5 will be continuous. The whole session is divided in 4 units. In each unit, 20 marks cycle/periodic test will be conducted per subject. It will be held every Friday as per the schedule given. In addition to pen and paper test the student will be evaluated on the basis of their class assignment, home assignment, activities, projects which are included as their subject enrichment activities. Emphasis will be laid on the all over growth and confidence of the child to develop his/her personality. The child will be evaluated in both scholastic and co-scholastic areas. From April (end) periodic/cycle test will start. Every Friday cycle test will be held in the zero period as per schedule given. Maximum marks allotted will be 20.

- * Weekly test are compulsory for all students.
- * In case of absence satisfactory written explanation for absence has to be given to class teacher.
- * A student will not be allowed to leave the school after exam.
- * In case the child is not well, parents have to submit an application and medical certificate.
- * Even on exam days, late comers will not be allowed to enter the school after 8:00am.
- * Information regarding the syllabus of these weekly test will be given beforehand and will also be uploaded on website.

Students will maintain class library where students can exchange their books. It will help to inculcate reading habit and will enhance language skills in children.

During the session each month is celebrated by keeping a particular subject as

theme. Related activities will be conducted and it is mandatory for all the students to participate. Students interaction, performance will be assessed. These will help them to hone their skills, to become more confident, will learn social skills and develop team spirit.

For class 5. After the completion of fourth unit students will appear for 50 marks test. It will be a practice for continuous formal exam for which child has to appear in class 6.

The final result of Grade-V will be prepared as follows :

30% of all unit test+20% internal assessment + 50% final exam i.e. (30+20+50)
