Re: Fee hike and adjustment/refund thereof

Dear Parents

In accordance with the Directorate of Education's Order dated 17.10.2017, for the implementation of 7th Central Pay Commission recommendation in private/unaided recognized schools of Delhi, the fee payable by students was hiked in the month of April 2018. However, DOE had withdrawn the guidelines dated 17.10.2017 vide order dated 13.04.2018. Accordingly the school had immediately stopped taking hiked fee and there was a role back of fee payable by students as per the fee structure of 2016-17.

Further in this regard a W.P. (C) no. 4374/2018 was filed by Action Committee of unaided recognized private schools v/s. DOE & others before the High Court of Delhi and the Hon'ble High Court has **granted a stay** on the impugned order of 13th April 2018 of DOE, till the next hearing i.e. 31st July 2018. Hence, the parents are humbly requested to pay their usual monthly dues, as the matter is subjudiced before Hon'ble High Court.

Any excess amount charged in the month of April would be adjusted / refunded in accordance with the directions, if any, as may be passed /directed by the Hon'ble High Court on its next hearing listed for 31st July, 2018.

Trust our integrity and our devotion towards the cause of education and don't fall prey to any baseless rumours of any kind, stopping you to pay the monthly fee. For query of any kind in this regard, kindly feel free to call us at the reception (011-27043298). As always, we have worked for the betterment of your ward, and have always looked upto the parents as our **Partners in Education**.

Looking forward to the same unending support and cooperation.
