

CIRCULAR

DAV/RHN/ACAD/01/2021

Dtd:-14/01/2021

Dear Parent

This notice is in regards to the circular issued by the Directorate of Education dated 13 Jan 2021.

CBSE earlier communicated that Board Practicals would be conducted from March and Board Examinations from May.

Keeping this in mind, the Directorate of Education has now allowed **Delhi schools to reopen for classes X and XII**. Therefore, we would like to highlight the following points:

1. These classes will encompass training for the **upcoming Practical examinations** and preparation for the forthcoming **Board examination**.
2. Since till date, an offline pen and paper test has not been conducted, we plan to conduct Preboard-II exam in the school premises itself.
3. Our school is strictly following the **Standard Operating Procedure**. Therefore, the safety of all students is paramount, and we are taking **all necessary precautions**.
4. The **record of students** that attend these classes will be maintained.
5. **Written and duly signed consent by the parent** is a mandatory submission to be made to the school in order to attend these classes.
6. Carrying a **mask and sanitizer** for each student is compulsory.
7. The school is following all the necessary protocols. Therefore, we assure all parents that the students are **safe inside the school premises**.

Finally, to ensure that the students are prepared to the best of their abilities, all teachers are ready to welcome them to the classrooms and laboratories following the safety procedures required in a new-normal way of teaching and learning.

Looking forward to welcome the **soul of our school**, our dear students, in our school. Thanking you for your cooperation so far.

Regards
Principal
