Dear Parents,

Warm Greetings for a happy and a prosperous New Year.!!!

We always appreciate the support of the parents fraternity in all our endeavors. DAV Rohini is a staunch advocate of Environmental issues. To protect our environment and reduce the usage of paper, we encourage the use of technology in optimizing the teaching - learning process. Our school has a user friendly and an easy to navigate website. It is mandatory to visit the school website regularly for the latest updates regarding the school activities. You can download circulars, assignments, worksheets, questionnaires, model test papers, syllabus, results , planners etc. Please keep a track of the day – to day activities in school through our website. We also try to keep you well informed through text messages and Snap Homework application which is in- use in the primary classes.

We seek your utmost co-operation.
