Dear Parents,

DATE : 27TH Aug, 2019

The D.A.V centre for academic excellence has implemented a Centralised Evaluation from the current academic session 2019-20 for the classes V to X. To equip the learners with appropriate skills and attitudes which will help in increasing their intelligence quotient and help the individuals to meet the challenges of life, the centre has decided that the question papers for both the semesters will be set up by D.A.V Board- Cluster Schools . The worksheets, sample papers, MLL sheets and the blue prints of every subject need to be downloaded so that revision can be done meticulously.

The D.A.V CMC has taken this initiative to motivate the students to have competitive spirit which would go a long way. Therefore, co-operation is requested from all the parents to be vigilant towards day to day progress of your ward.
