

We care for Animals

Posted by DAV Public School Sector -7, Rohini, New Delhi

With an aim to make the world a better place for the animals, the students of Class I & II celebrated 'World Animals' Day' with great zeal. They took out a rally urging people to stop harming animals for their personal benefits.

A special assembly was organized where students presented a play 'Live and

let Live', a finger story 'Stop Hunting Animals', and recited poems to sensitize people to get involved and unite for the cause of saving animals.

Collectively, we can make this world a safe place for all animals, was the message conveyed by them. Principal, Ms. Rajbir Kaur, appreciated their efforts and assured them that with these small steps they can definitely create a world where animals are given space so that they can play their roles in the Biosphere. And as human beings; it's our responsibility to help & protect them so that their future generations can grow and thrive and in turn our future generations can be blessed with the joy of sharing their lives with them.
