

A special environment assembly was held to sensitize students and the masses on the measures to be taken towards protecting mother earth. Theme was Think Green, Be Green. The school principal Mrs Rajbir Kaur welcomed the audience with an opening speech giving an insight to the importance of the day and shared Diwali greetings to all. Students of secondary classes presented a thought provoking nukkad natak stressing the need to conserve our resources and to build a greener world followed by a dance performance to motivate people to conserve the earth's resources and avoid plastic products.

In the end students of primary wing presented a Musical Medley - "Hope for the Earth". The students were dressed in vibrant costumes and portrayed how humans were causing harm to the environment and what would the end result of the damage.

The main objective of the assembly was to bring about a change in the attitude towards environment and advocate partnership between human being and society to ensure a safer future.

The Guest of Honour- Dr Anil Kumar, Ex Director, Department of Environment, Government of Delhi appreciated the efforts done by the students.

The programme culminated with everyone pledging to take the initiative of saving the environment and doing their bit for a clean and green mother Earth.

Afterwards sapling plantation was done by the guest and the rally- "walk for a cause" was flagged off to spread the message in nearby areas.
